PPRA portal kya hai?

PPRA (Public Procurement Regulatory Authority) ka EPMS portal wo jagah hai jahan Public Procurement Rules 2026 ka official text, tender advertisements aur procurement se mutalliq maloomat milti hain. Rule 18(1) ke mutabiq, PKR 200,000 se zyada ke tenders PPRA website par publish karna lazmi hai, aur PKR 5,000,000 se zyada ke tenders ke liye do qomi akhbarat (aik English, aik Urdu) mein ishtihar bhi lazmi hai (Rule 18(2)).

- Public Procurement Rules 2026 ka official text (SRO 1658(I)/2026).
- Active tenders ki list — tamam agencies ke published tenders.
- Tender advertisements aur unki tafseel (agency, last date, tender number).

Is guide mein diye gaye thresholds aur Rule numbers Public Procurement Rules 2026 (SRO 1658(I)/2026) se liye gaye hain. Rule 32(2) ke mutabiq, Authority waqt ke saath financial thresholds tabdeel kar sakti hai — is liye hamesha latest Rules check karein.

Ahem nukaat

- Sirf portal par tender dekhna kaafi nahi — bidding document parhna lazmi hai.
- Last date aur time ko carefully note karein; der se bid qabool nahi hoti.
